

**Mission:** Stillwater Ranch honors Veterans, Servicemembers, and their families by providing resources and activities in a scenic, supportive environment to improve their quality of life.

**MISSION ACCOMPLISHED SINCE 2014!**

Stillwater Ranch is a place of constant connection and movement. Over the course of a year, people arrive from many walks of life—Veterans and their families, volunteers, donors, community partners, ranch tour guests, and those discovering the ranch for the first time.

In 2025, over 200 individuals engaged directly with the ranch, with many returning repeatedly to participate, serve, or support our mission. Our work also extended well beyond the ranch gates, reaching dozens more Veterans and family members through off-site adventures and timely financial assistance during moments of urgent need.

Here are just a few of the highlights from 2025:

- \$25,000 spent for critical Veteran needs, supporting dozens of Veterans and their families
- A week-long Veteran retreat with 11 attendees from all over the United States
